Hendricks County Arts Council Announces New Mural Program "Art in the Street" *The Search is On: Nominate Your Building!*

(Danville, IN, July 21, 2014)—The Hendricks County Arts Council (HCAC) is sponsoring a new mural program titled, "Art in the Street". The ultimate goal of "Art in the Street" is to have several murals around the county that will become part of a mural trail throughout Hendricks County.

However, first things first for the mural project! The search is on to find the building site for the very first mural. The HCAC is asking property owners to nominate their building to serve as the canvas for the first mural. It is anticipated that the first mural will be completed by the end of December, 2015.

The mural site must have visibility from the street. All expenses are covered by the HCAC, including insurance. Owners are welcome to contribute but are not required to participate financially. The building owner will serve on the selection committee for design. Final design and location is contingent upon approval of town or county applicable regulatory bodies.

The deadline for application is September 5, 2014. Application forms can be accessed via a link at the bottom of the HCAC homepage, www.hendrickscountyarts.org. The form can also be accessed under the Special Events/Programs tab at the top of the homepage. The form can be filled out, saved and then emailed to the HCAC at info@hendrickscountyarts.org. The form can also be filled out, printed and mailed via the United States Post Office to the Hendricks County Arts Council, P.O. Box 315, Danville, IN 46122. A picture of the site must accompany submission of the form for consideration.

Forms can also be picked up at Gallery on the Square, located on the east side of the Court House, 51 S. Washington Street, Danville, IN 46122.

The winning site location for the first mural will be announced by October 7, 2014.
